MINING ACT

THE MINING (USE OF LOCAL GOODS AND SERVICES) REGULATIONS

LEGAL NOTICE 83 OF 2017

Published in Kenya Gazette Vol. CXIX—No. 67 on 26 May 2017

Commenced on 26 May 2017

[Revised by [24th Annual Supplement \(Legal Notice 221 of 2023\)](#) on 31 December 2022]

1. Citation.

These Regulations may be cited as the Mining (Use of Local Goods and Services) Regulations.

2. Interpretation.

In these Regulations, unless the context otherwise requires—

"Act" means the Mining Act (Cap. 306);

"Cabinet Secretary" means the Cabinet Secretary for the time being responsible for matters relating to mining;

"holder" has the meaning assigned to it in the Act;

"Kenyan content" means the quantum of composite value added to or created in the Kenya economy by a systematic development of capacity and capabilities through the deliberate utilization of Kenyan human and material resources and services rendered in the mining industry value chain;

"Kenyan goods" means goods including but not limited to plant, machinery and equipment, manufactured, produced or assembled by professionals, a company incorporated in Kenya or owned or controlled by Kenyans;

"mine support services" has the meaning assigned to it in the Act;

"minerals activities" means any activity or operations to be conducted under a licence to establish a refinery or a smelter or the reconnaissance, prospecting and mining of minerals;

"mining operations" has the meaning assigned to it in the Act;

"procurement plan" means a procurement plan for goods and services submitted in compliance with any provisions of the Act and these Regulations.

3. Purpose of the Regulations.

The purpose of these Regulations is to—

- (a) promote job creation through the use of local expertise, goods and services, businesses and financing in the mining industry value chain and their retention in the country;
- (b) achieve the minimum local level and in-country spend for the provision of the goods and services in the mining industry value chain;
- (c) increase the capability and international competitiveness of domestic businesses;
- (d) create mining and mineral related support industries that will provide jobs and sustain economy development;

- (e) achieve and maintain a degree of participation for Kenyans or companies incorporated in Kenya for the supply of goods and the provisions of services; and
- (f) provide for robust, transparent monitoring and reporting system in relation to the use of goods and services.

4. Application of the Regulations.

These Regulations shall apply to—

- (a) all applicants and holders of any licence for—
 - (i) the reconnaissance, prospecting and mining of a mineral;
 - (ii) the cutting, polishing, processing, refining and smelting of a mineral; and
 - (iii) mine support services;
- (b) all operators, contractors and other entities involved in any project, operation or activity connected or relate to mine support services, minerals activity or operations in Kenya.

5. Use of Kenyan goods and services.

The holder of a licence, its contractors and sub-contractors shall, to the maximum extent possible, when purchasing goods and procuring services required with respect to operations or any activity to be conducted under a licence, give first priority to—

- (a) materials and goods made in Kenya; and
- (b) services provided by citizens of Kenya or entities incorporated and operating in Kenya or owned and controlled by Kenyans:

Provided that such goods and services are equal in quality, quantity and price to, or better than, goods and services obtainable outside of Kenya to be the Cabinet Secretary.

6. Requirement of procurement plan.

- (1) Except as otherwise provided in the Act or under these Regulations, an application for a licence shall not be granted unless the applicant has submitted a procurement plan for the purchase of goods and services in Kenya and shall include—
- (2) Without limiting the scope of sub regulation (1), the plan shall ensure priority is given to citizens of Kenya or companies incorporated in Kenya and shall include—
 - (a) the particulars of the goods and services the applicant intends to procure in Kenya to undertake its operations or activity;
 - (b) the proposed expenditure that will be incurred under the plan;
 - (c) particulars on gender; and
- (3) The Plan if improved, shall form part of the conditions or obligations under the licence.

7. Procurement requirements for holder of a pre-existing mineral right.

- (1) Every holder of any mineral right which is valid after the coming into force of the Act shall, within ninety days of the coming into force of these Regulations, submit to the Cabinet Secretary a procurement plan for local goods and services.
- (2) For the purposes of sub regulation (1), the procurement plan shall include—
 - (a) targets for local procurement including at least the items specified in the procurement list as provided or made available by the Directors of Mines; and

- (b) specific support to local providers or suppliers as well as other measures to develop the supply of local goods and services including broadening access to opportunities and technical support.

8. Call for tenders.

- (1) When calling for tenders from contractors and suppliers, the holder of a mining licence or mine support services licence shall invite tenders from companies incorporated in Kenya, of majority ownership by Kenyans, where to the best of the holder's knowledge—
 - (a) the company or contractor have proven ability and reputation in—
 - (i) performing work of a similar nature and quality to that required by the holder;
 - (ii) completing such work within the specified time period; and
 - (b) the suppliers are established, recognized and reputable suppliers of materials, equipment or services and have previously marketed or distribute such materials, equipment or services as applicable.
- (2) Nothing contained in this regulation shall operate so as to require the holder of a mining licence, mining permit or mine support service in any way, to incur any greater cost, accept an inferior standard of work, accept a delay in supply or otherwise suffer any prejudice.

9. Register of local business.

- (1) The director of Mines shall establish and maintain a register of local businesses and service providers for the mining industry.
- (2) The director of Mines shall ensure the dissemination of the information on the register through the website of the Ministry, the local media and such other effective means as may be available from time to time.
- (3) The holder of a mining licence shall encourage and support the establishment of businesses within Kenya with a particular emphasis on business directly owned by the Kenyans or companies incorporated in Kenya to provide goods and services required for mineral activities or operations.
- (4) The holder of a mining licence shall on an annual basis provide the Directors of Mines with a list of companies incorporated in Kenya with majority ownership by citizens of Kenya that provide the holders with services, goods, materials and equipment for mineral activities and mining activities or operations, which the Director shall check against and add to the register.

10. International procurement.

The procurement of goods, materials, equipment and services by a holder of mineral right or mine support services licence may be tendered for and procured internationally without restriction, provided that—

- (a) where such materials, equipment and services are procurable within Kenya, such businesses shall have the opportunity to tender and, if the initial tender submission from such businesses meets the specification of the invitation to tender and such businesses are demonstrably capable of supplying the particular materials, equipment or services which are the subject of the tender, such businesses shall not be discriminated against in comparison with international suppliers;
- (b) in the event of parity between the initial tender submissions from businesses registered pursuant to regulation 8 (1) and from international businesses, including consideration of the matters referred to in the regulation 8 (1) (a), the holder shall be obliged to award the tender to the business registered pursuant to regulation 8 (1).

11. Procurement report.

- (1) The holder of a licence shall, within thirty days of the end of a half year, submit to the director of Mines a listing of all contracts and purchase orders exceeding 100, 000, 000 Kenya shillings or such other limit as the Director of Mines may determine, awarded in the previous half year.
- (2) This listing shall include—
 - (a) Lists of all items and services;
 - (b) Value of contract or purchase order;
 - (c) name of successful contractor or vendor;
 - (d) a primary location of work;
 - (e) estimates of Kenyan content;
 - (f) commencement and completion date; and any other information required by the Director of Mines for the purposes of implementing the provisions of these Regulations.

12. Power to publish Guidelines.

Subject to section 221 of the Act, the Cabinet Secretary may from time to time, publish and disseminate Guidelines in relation to the content level of all goods and services that shall be procured in Kenya.

13. Professional services for engineering.

- (1) A holder of a licence and its contractors, sub-contractors or any company engaged in any form of business, operations or contract in the mining industry shall insure all insurable risks related to its mining business or operations with companies licensed by the Insurance Regulatory Authority of Kenya for such purposes.
- (2) Where there is a reasonable need for a holder to engage the services of an offshore insurance or Reinsurance company, prior consent of the insurance Regulatory Authority shall be obtained which shall ensure that Kenyan local capacity has been fully exhausted.
- (3) The holder shall, not later than thirty days after the end of the licence year, submit a report to the Director of Mines on all companies through which insurance or reinsurance coverage was obtained, the classes of cover obtained and the premiums paid for such coverage.
- (4) No insurance in the mining industry shall be placed offshore without the written approval of the insurance Regulatory Authority which shall ensure that Kenyan local capacity has been fully exhausted.

15. Professional services for accounting and legal.

- (1) An applicant for or holder of a licence shall only engage the services of lawyers, certified accountants or any such firm or company that are licensed to practice in Kenya.
- (2) Foreign firms, companies or consultants for legal or accounting services shall only be engaged when the required services are rendered in collaboration with individuals, firms or companies that are licensed or certified to practice or work in Kenya.

16. Reporting requirements.

- (1) A holder of a licence shall, not later than thirty days after the beginning of each licence year, submit to the Director of Mines an annual report on Kenyan content.
- (2) The report in sub regulation (1), shall include other reports required under regulations 9(4), 11 and 14.

- (3) For all projects, contracts and purchase orders in excess of 10,000,000 Kenya Shillings, the holder shall provide to the Director of Mines all advertisements, pre-qualification criteria, technical bid documents, technical evaluation criteria and the proposed bidders' lists.
- (4) The holder shall include sufficient information with the notifications to enable the Director of Mines assess the subject matter and to be satisfied that the requirements for Kenya content regarding the use of local goods and services have been complied with by the holder and its contractors, sub-contractors or any other entity working for the holder.
- (5) The Director of Mines shall review the amount stated in sub regulation (3) from time to time.

17. Assessment of performance report.

- (1) The Director of Mines shall, within thirty days after receipt of the report on Kenyan content, assess and review the report to ensure compliance with the Mining Act and these Regulations.
- (2) For the purposes of assessment and verification of the report, a holder of a licence shall allow the Director of Mines or any authorised officer access to their facilities, documents and information as the Directors of Mines may request.
